

Apprenticeships

Apprenticeships are jobs with training, giving you the chance to earn while you learn, gaining real workplace experience as well as the skills you'll need in your chosen career.

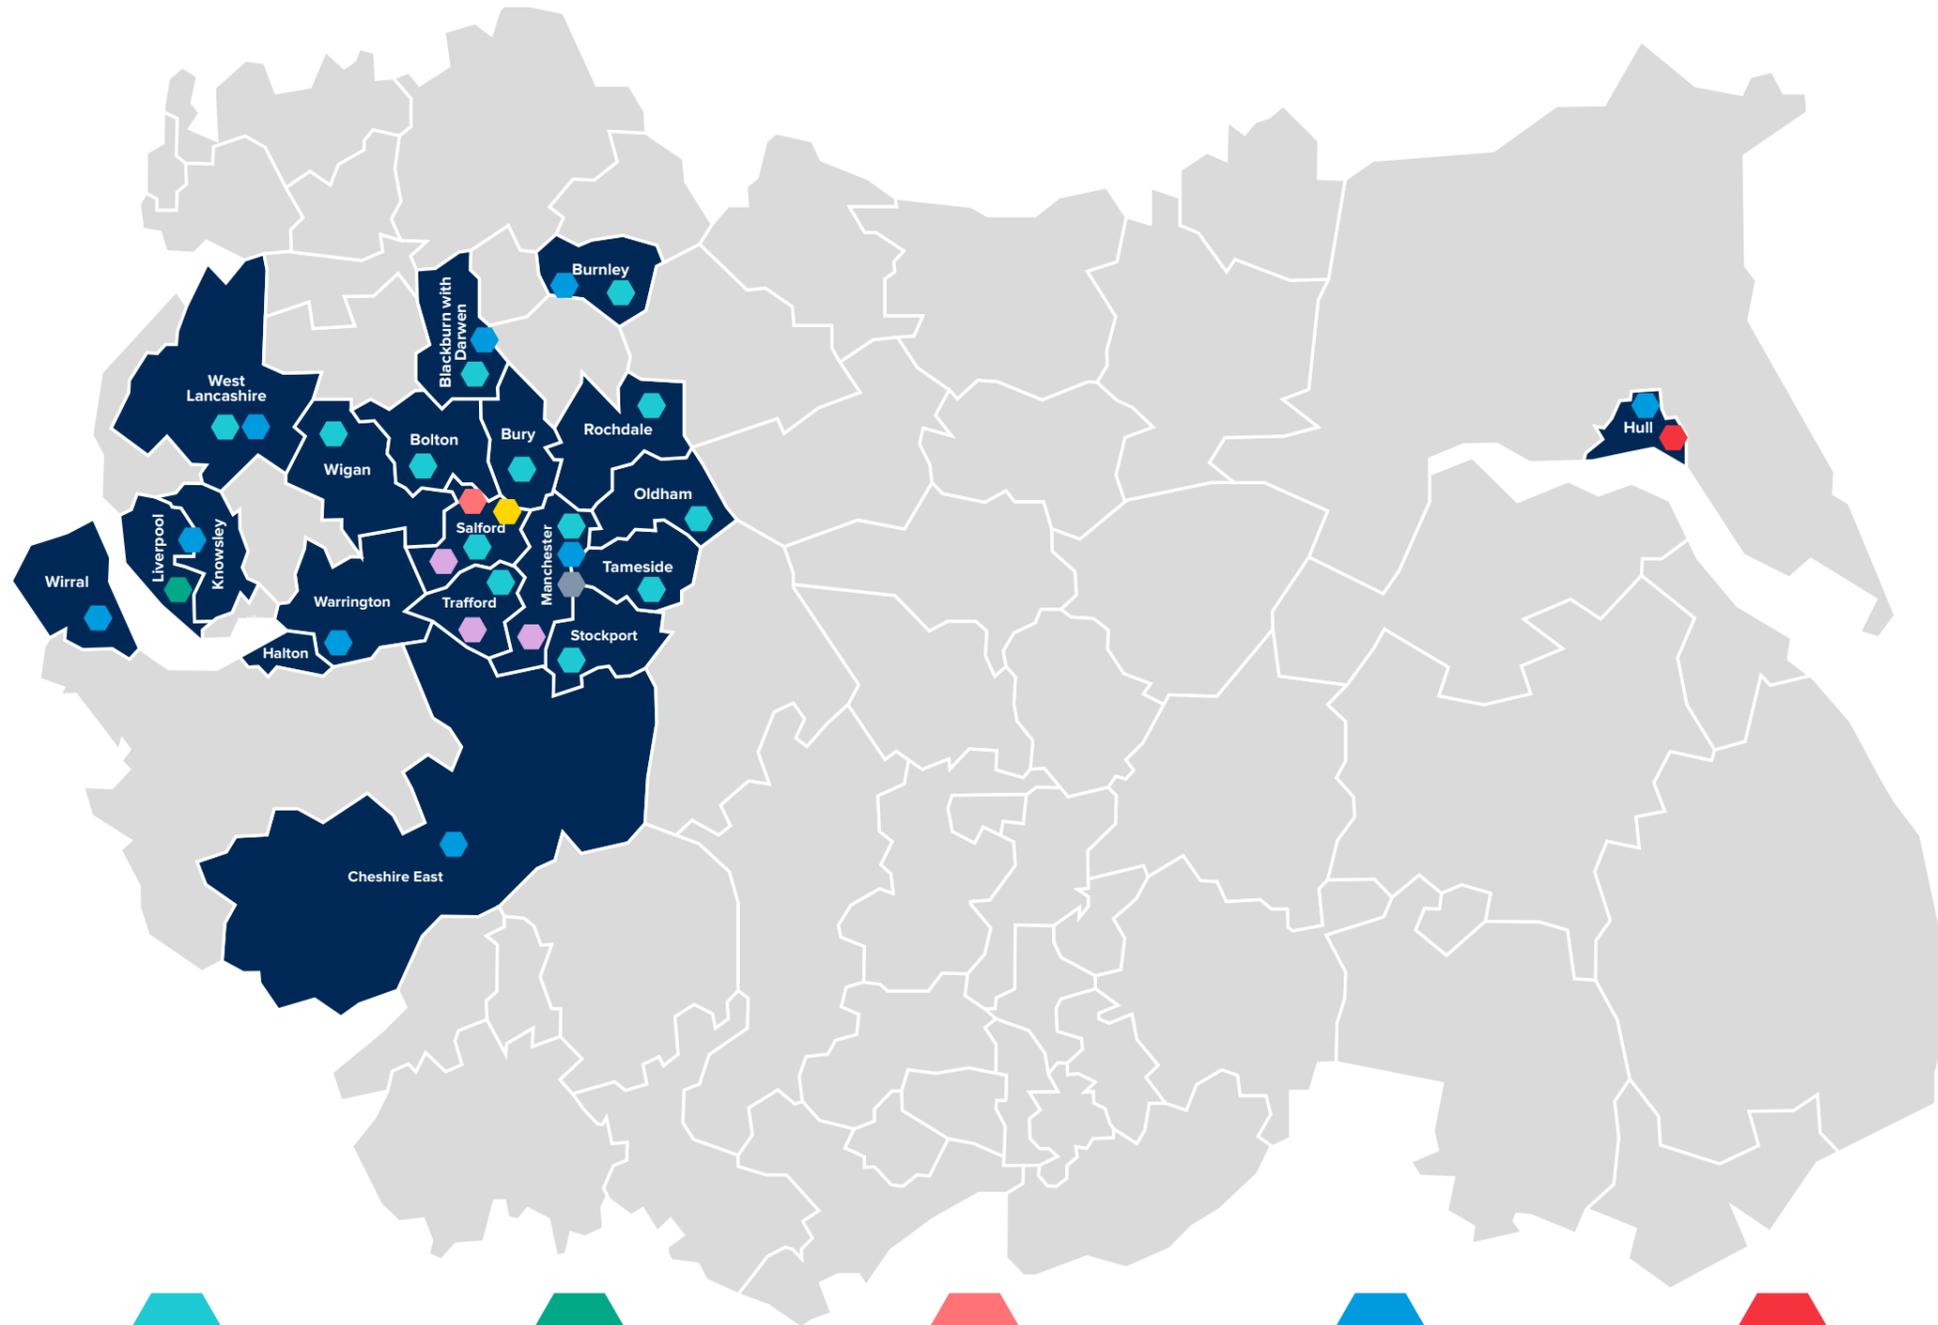

The Growth Company is the biggest provider of apprenticeships in Greater Manchester. And we have hundreds of apprenticeship vacancies available at any one time.

Accounting & Financial Services,
Automotive, Business & Professional, Construction Craft, Construction Mechanical, Engineering, Health and Social Care, Childcare & Teaching, Manufacturing & Logistics

Traineeships

A Traineeship is new type of training programme designed to give you the work experience you need to progress onto an Apprenticeship or other type of paid employment in your chosen career area.

You will spend most of your Traineeship with an employer whilst learning in the workplace, you may also spend some time working towards vocational or employability qualifications. You can also improve your Maths and English.
